NORTH WEST
Landlords' Association Ltd

We have set up a database which contains contact details of some reputable tradesmen and professionals that landlords have already used / might wish to use, or to recommend to other landlords and friends. If you have any information you would like adding to this database please contact the office.

Please enter details below and post it to us or alternatively fax the information. If you prefer simply hand it to the Chairperson, John O'Donnell at the next Members' Meeting:
